PERSONAL STATEMENT

My name is Giselle Martinez. I am a junior at Woodland Senior High-School in Woodland, Ca. I will be graduating in 2023. I play middle infield, my primary position is second base and my secondary position is shortstop. I have been playing since 2015. Softball has been a big part of my life. It has also opened doors for me in so many ways and has helped me build friendships and relationships with teammates. I have always taken great pride in my academics. This year I am currently holding a 3.7 GPA. It is my goal to become a Crime Scene Investigator (CSI) while playing softball. I am looking for a college or university that will continue to push me academically and has a competitive softball program. I am excited to begin this process and I look forward to beginning the recruiting process and meeting coaches about their programs. I cannot wait to begin the journey and see where it takes me.
